Important Information

Enrolments

For all program dates, times or any additional information, please contact the program providers directly.

Please ensure that you have registered your child before they attend any After School Classes. This allows the provider adequate time to prepare staffing requirements.

Enrolments will only be accepted up until the third week of classes.

If your child attends two or more sessions, you will be charged for the whole term.

Cancellations

No administration fee will apply to cancellations made prior to the start of term. No refunds will be given once the program has begun for change of mind reasons.

Late pick up

All students who are not collected by their parents from their after school class will be taken to the Extend Aftercare program. As this is run by an external provider, we encourage all children to be registered with them, in the event you are late in collecting your child.
